

VENDING MACHINE MIND MOJO

Read the lines below, recite them, chant them to yourself, declare them to your higher power, and text them to your BFF at the office. These Vending Machine Mind Mojos are designed to keep the vending machine from possessing you and forcing you to eat a candy bar or Fritos or candy coated Fritos.

- ✘ I ate a healthy and sensible breakfast.
- ✘ I have consumed 40 ounces of water or similar.
- ✘ I am not hungry I merely need another 24 ounces of water or similar to get through the 3 p.m. danger zone.
- ✘ I am feeling so fly. Like a G-6.
- ✘ I can breathe in and out.
- ✘ The gunk in the vending machine has been here since 2010. It's so last year.
- ✘ Water is groovy.
- ✘ Ooh lookie! I have gum!
- ✘ Ooh lookie! I have carrots that I prepackaged.
 - Sidenote: If you find yourself in FRONT of the vending machine brandish the baggie of carrots as though you were standing in front of vampire with a crucifix as if to ward it off. Unless it's a hot vampire. Then you might want to kiss the vampire. Kissing the vending machine might cause others to think you are ill. But then you'd be able to go home – ending the temptation. So yeah, brandish the carrots like a crucifix works in any situation.
- ✘ I ate a healthy and sensible lunch. If I was going to be stupid today I would have gone ahead and had the bacon burger but I didn't! I had a healthy and sensible lunch.
- ✘ That creepy guy is usually loitering by the vending machine and I do NOT want to deal with it.
- ✘ I will enjoy dinner SO much more if I am truly hungry.
- ✘ I am in charge.
- ✘ Oooh lookie! I have loose change! Loose change you are going in a cute little can in the top drawer of my desk. At the end of the week there will be enough of you to buy some shimmering limp plumping gloss.
- ✘ I want better health and to feel more comfortable in my clothes MORE than nuggat or anything sprayed with orange powder.
- ✘ Did I mention I'm feeling so fly? Like a G-6.
