

Office Drinking Game

Step 1: Find an office buddy or two and share the rules.

Step 2: Fill your old college beer mug with **cold clear water** or buy a water from the vending machine.
Whatevs.

Object: To make drinking your water fun!

The guy in the cube behind you lurks over your shoulder to see your computer. *Drink.*

You accidentally lose a call you tried to transfer. *Drink.*

Make a sale or finish a project: *Drink twice.*

The boss emails you to "come see me." *Kill it.*

A player who appropriately works the phrase "current economic climate" into conversation while talking to non-players that player can order a player of their choice to *kill it.*

Pick a guy who's not playing from another department. Anytime he walks into your game room (department) rest your chin on your fist (as if thinking) the last person to do this *drinks.*

Office Intercom Page: *Social* (everybody drinks)

First player to "break the seal" and head to the restroom, before you go, *kill it.*
